**Subject: Regarding Resource Material for capacity building of Healthcare Professionals for COVID19 Containment.**

In reference to the subject cited above,

As you are aware that special recruitment is under process for COVID19 containment and even volunteers are registering for providing services for containment of COVID19 pandemic. Due to the constriction of time, to conduct training sessions for them will be difficult, so a detailed list of training resource materials available for different cadres of health professionals is enclosed with this letter. These materials can be accessed at MOHFW website <https://www.mohfw.gov.in/> . You can use these training resources for capacity building of Health care staff/newly recruited staff and volunteers.
